

## GARDEN PETALS TABLERUNNER – Pattern #101 (Fast, Easy, Precut and Scrap Friendly)

**NOTE:** Go to DKohn Designs on YouTube to find my detailed how-to video for this pattern.

**FINISHED BLOCK SIZE:** 9" x 9" finished (9 ½ X 9 ½ unfinished)  
**FINISHED TABLERUNNER SIZE:** 13½" x 40"

**GARDEN PETALS TABLERUNNER – Pattern #101 (Precut and Scrap Friendly)**

**NOTE:** Go to DKohn Designs on YouTube to find my detailed how-to video for this pattern.

**FINISHED BLOCK SIZE:** 9" x 9" finished (9 ½" X 9 ½" unfinished)

**FINISHED TABLERUNNER SIZE:** 13½" x 40"

**MATERIALS LIST:**

PETALS – (1) “Charm Pack” of 5” squares - you will only use 16 Squares TOTAL (8 squares of medium/dark/ bright print **AND** 8 squares of solid white/light/low-volume print); save the rest for another project.

CENTERS – (1) - 2” X WOF (Width of Fabric) dark solid or print fabric

BACKGROUND – 2” X WOF white fabric

BORDER – ¼ yard light or white fabric

BINDING - ¼ yard fabric (quilter’s choice)

BACKING – ½ yard 40-42” wide fabric (quilter’s choice)

**CUTTING INSTRUCTIONS:** 1) Cut fabrics as indicated in the chart below. SEE FABRIC CUTTING SUBSTITUTIONS BELOW IF USING LAYER CAKE/YARDAGE/SCRAPS INSTEAD. 2) Organize all the pieces by alphabet label to facilitate piecing. **See labels on page 3 to print out if desired.**

**CUTTING CHART:**

<u>SECTION</u>	<u>NUMBER OF PIECES</u>	<u>FABRIC</u>	<u>LETTER</u>
PETALS	8	5 inch squares of medium/dark/bright PRINT fabric	A
	8	5 inch squares of SOLID or low-volume print fabric	B
CENTERS	16	2 inch x 2 inch squares of DARK fabric	C
BACKGROUND	16	2 inch x 2 inch squares of WHITE fabric	D
BORDERS	3	2 ½ inch x WOF strips of BORDER fabric	E
BINDING	3	2 ½ inch x WOF strips of BINDING fabric	F

**FABRIC CUTTING SUBSTITUTIONS (if desired):**

IF USING 10 INCH “LAYER CAKE”- choose (4) 10” squares (2 – medium/dark/ bright print and 2 – solid white/light/low-volume print). Make sure each square measures 10” x 10” before cutting. Then subcut each 10” square into (4) 5” pieces for the “Petals”.

IF USING YARDAGE/ SCRAPS - Cut (16) 5” squares from yardage or scraps and use in lieu of 5 inch precut squares as stated above for the “Petals”.

BORDERS AND BINDING - Jelly roll strips can be used in lieu of cutting WOF strips from yardage.

**BLOCK ASSEMBLY:**

FLOWER BLOCKS – Make (4) 9 ½” X 9 ½” blocks

**For ONE Flower Block:**

1) Gather the following pieces:

- (4) A squares
- (4) C squares
- (4) D squares

2) Construct Flower Block:

a) Draw a diagonal line from corner to corner on the wrong side of 4 C squares.

C square

- b) Place 1 C square on any corner of 1 A square RST (Right Sides Together) and sew on the drawn line. Trim seam to 1/4 inch. Press seam toward darker fabric. (This is called “snowballing” the corner.) This makes 1 Petal Unit. Repeat snowballing, trimming and pressing with the remaining 3 A squares, using the marked C squares to make a total of 4 Petal Units.  **A/C Petal Unit**
- c) Draw a diagonal line from corner to corner on the wrong side of 4 D squares.  **D Square**
- d) Place 1 D square on the corner diagonally across from the dark square snowballed corner RST and sew on the drawn line. Trim seam to 1/4 inch. Press seam toward the darker fabric. This makes one complete Flower Unit. Trim Flower Unit to 5” square. Repeat snowballing, trimming and pressing for the 3 remaining D squares and Petal Units for a total of 4 Flower Units.  **A/C/D Flower Unit  
(also B/C/D Flower Unit)**
- e) Place 2 A square Flower Units RST by matching the dark centers, and sew along the dark centers side with a 1/4” seam. Press seam to the right. This makes the top half of the Flower Block. Repeat for the remaining 2 A square Flower Units but press the seam to the left to make the bottom half of the Flower Block.  **Top half of Flower Block**  **Bottom half of Flower Block**
- f) Place the two Flower Block halves together matching dark centers and sew along the centers with a 1/4” seam. Press seam open to reduce center block bulk. Trim Flower Block to 9 1/2” square.  **Entire Flower Block**

3) Repeat Steps 1 and 2 above to make 2 Flower Blocks using A fabric AND 2 Flower Blocks using B fabric for a total of 4 Flower Blocks in all.

**TABLE RUNNER ASSEMBLY:** *(See photos at beginning of pattern for illustration.)*

- 4) Attach Flower Blocks together, alternating Fabric A and Fabric B Flower blocks, left to right:
- Sew Flower Block #1 to Flower Block #2 RST with a 1/4” seam. Press seam to the darker fabric.
  - Sew Flower Block #3 to Flower Block #4 RST with a 1/4” seam. Press seam to the darker fabric.
  - Sew double Flower Unit #1 to double Flower Unit #2 RST with a 1/4” seam. Press seam to one side.
- NOTE: In this step, seams are pressed to one side to facilitate stitching in the ditch quilting if desired.
- 5) Attach Borders:
- Sides: cut 1 E strip into (2) 14” pieces. Sew 1 piece to the left edge of the table runner RST with a 1/4” seam. To minimum bulky seams, press seam away from tablerunner and trim to length.
  - Top: cut 2 E strips to 41 inches for each strip. Sew 1 41” E strip to top of tablerunner RST with a 1/4” seam. Press seam toward the border to reduce seam bulk at block intersections. Trim to length.
  - Bottom: Sew remaining 41” E strip to bottom of tablerunner RST with a 1/4” inch seam. Press seam toward the border to reduce seam bulk at block intersections. Trim to length.

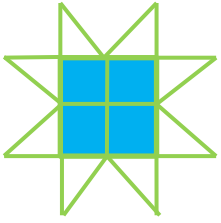

6) Baste and Quilt using your preferred methods.

7) Attach Binding: Sew Fabric F strips together end to end using 1/4” seam using preferred method. Press strips in half lengthwise. Attach to quilt front and back using your preferred method. Enjoy!

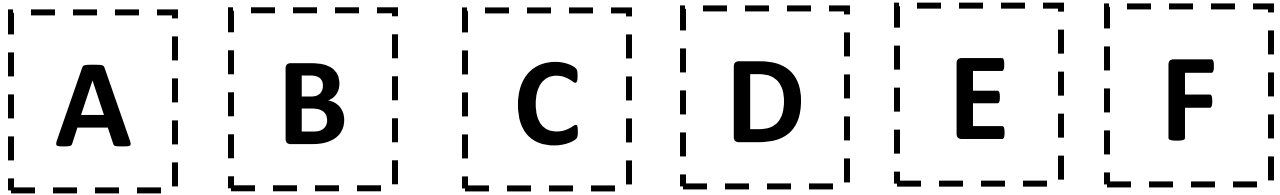

P.S. You may want to check my website at [DkohnDesigns.com](http://DkohnDesigns.com) under “pattern updates” in case there are any errata discovered after publication. I apologize if this happens. This pattern was published Aug. 2021.
