

IT'S CHRISTMAS TIME QUILT – Pattern #103

Free Quilt Along Overview, Schedule and Fabric Requirements

NOTE: Go to DKohn Designs on YouTube to find my detailed how-to videos for each block of this pattern.

QUILT ALONG OVERVIEW

The finished quilt size is approximately 63" x 74". The quilt is 5 blocks across for each row and 6 rows down for a total of 30 blocks. You could, of course, elect to make only 1 block from each row for a table runner or wall hanging or other décor items. Each block is 9 ½" x 9 ½" unfinished without the sashing. This pattern is designed for a pack of 10" x 10" precut squares plus background yardage, but yardage and scraps could be used in lieu of a 10 inch "layer cake." Jelly Roll (2 ½") strips could be used for the sashing and binding.

This is a free MYSTERY quilt along. This means that the full layout and blocks will not be released at the beginning of the quilt along. Instead, the block/row patterns will be released one week at a time over 8 weeks according to the schedule below. The block patterns are free through Nov. 30, 2021. Beginning Dec. 1, 2021, they will be consolidated into one pattern and then it will be for sale in my Shop at DKohndesigns.com.

This is a simple ROW quilt. Each row will be a different pictorial block. You make 5 of the same blocks for each row. There will be simple sashing between each block and between each row (no sashing posts or cornerstones). There will be a simple border and simple binding too. Fabric labels are included to print out for your personal use.
