

IT'S CHRISTMAS TIME QUILT – Pattern #103

Bonus Table Runner Pattern

NOTE: Go to DKohn Designs on YouTube to find the detailed how-to videos for the table runner and the blocks.

APPROXIMATE FINISHED TABLE RUNNER SIZE: 13" X 49"

This is the table runner made with blocks from the "It's Christmas Time" row quilt. It is constructed by sewing together 5 blocks from the quilt and adding a simple border around them. Pattern instructions for the blocks themselves can be found in the "It's Christmas Time" quilt pattern, blocks 1 – 6.

PATTERN NOTES: 1) This pattern uses five different blocks from the "It's Christmas Time" quilt pattern. You could use all the same block or mix them up. You could add more blocks to make the runner longer if desired. The construction method is the same for any of these options. 2) It assumes a 40" minimum width of fabric (WOF). 3) ¼ inch seam is always used. 4) RST means right sides together. 5) Press and trim as directed after every addition to the table runner for most accurate results. 6) Arrange quilt blocks in desired order before sewing borders. 7) Illustrations are NOT to scale. 8) The sample uses five test blocks made while designing the pattern.

MATERIALS LIST:

BORDER FABRIC A – 1/4 yard (7.5 inches) cut into 3 - 2 ½" X WOF strips (Side Borders will be pieced.)
BACKING FABRIC C – non-pieced: 1 ½ yards (1 3/8 yards if long arm quilting) OR pieced: 1 yard (1 1/8 yards if long arm quilting the table runner).
BINDING FABRIC B – 1/3 yard (10 inches) cut into 4 - 2 ½" x WOF strips (You will need approx.140 inches)
BATTING – approx.17" x 53" piece (21" x 57" if long arm quilting). I used leftover batting from the quilt

MATERIALS NOTES: If you already made the entire quilt, you could cut up the leftover pieces from the blocks and/or leftover 10" squares to make a scrappy binding or border. You could use the leftover background fabric for the border. There will NOT be enough leftover pieces for both the border and binding. You will need additional fabric for one or the other. See above dimensions for amount needed.

CUTTING INSTRUCTIONS: 1) Cut fabrics as indicated in the chart below. 2) Organize all the subcut pieces by alphabet label to facilitate piecing. **See labels on page 3 to print out if desired.**

CUTTING CHART (everything needed for sashing and borders.)

<u>SECTION</u>	<u>NUMBER OF PIECES</u>	<u>FABRIC</u>	<u>LETTER</u>
BORDERS	2	2 ½" x WOF strips (Sides)	A
	2	2 ½" x 6 inches rectangles (Sides)	B
	2	2 ½" X 14.5" rectangles (Top and Bottom)	C
BACKING	1	17" x 53" (21"x57" if long arm quilting")	D
BINDING	4	2½" X WOF strips	E

CONSTRUCTING THE TABLE RUNNER:

- 1) Measure the size of your table or other desired surface.
- 2) Choose the number of quilt blocks desired to fit the length of table or surface. This pattern uses five blocks.
- 3) Choose the specific blocks desired and sew them according to the pattern(s) in the It's Christmas Time Quilt Pattern #103. Be sure your blocks have been trimmed to 9 ½" x 9 ½" before proceeding with the table runner construction. Slightly smaller blocks will also work.
- 4) Arrange the blocks in the desired orientation and order and sew RST. This is the Table Runner Blocks Unit.

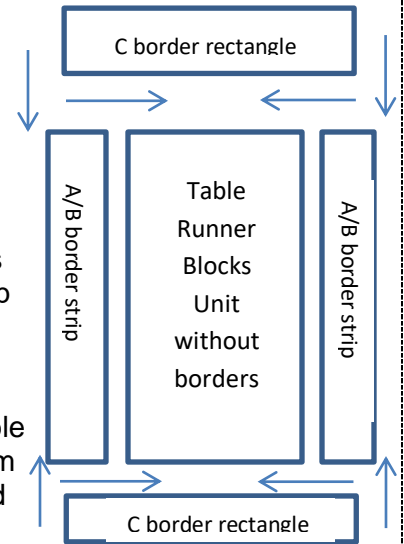

5 quilt blocks sewn together = Table Runner Blocks Unit

TABLE RUNNER BORDERS:

SIDE BORDERS:

- 5) A) Sew 1 Fabric A strip to 1 Fabric B strip RST. Press seam open. B) Repeat step 5A for 1 more set of A and B strips. C) Sew 1 A/B border strip to left side of Table Runner Blocks Unit RST. Press seam toward border (away from blocks). D) Repeat Step 5C for right side of quilt top. E) Trim side border strips to height of Table Runner Blocks Unit (approximately 45") before adding the top and bottom borders. Unit with side borders should measure approx. 13" x 45".
- 6) TOP/BOTTOM BORDERS: A) Sew 1 C Top border rectangle to top of Table Runner Blocks unit RST. D) Sew 1 C Bottom border rectangle to bottom of Table Runner Blocks Unit RST. Press seams toward borders (away from blocks). Trim border strips to width of table runner. (approximately 13"). Table Runner should measure approximately 13" x 49".

BATTING/BACKING:

- 7) Adhere Table Runner, batting and backing Fabric D rectangle layers together using desired method.

QUILT USING DESIRED METHOD: For this sample, I chose to stitch around each block shape, block border, and outer border.

BINDING:

- 8) A) Trim and square table runner after quilting the Table Runner before sewing on the binding. B) Sew the Fabric E strips together RST end to end using desired joining method. C) Attach to Table Runner using desired method.
